

- 2015-08-24
  - Need dates for the 2 events: Alumni [yes, the notes for that meeting end here. The pen looks like it ran out of ink!]
- 2015-09-17
  - 9 Attendees, 4 officers
  - Meg intro. Mike prof. dev. opp. [if you're wonder what those words are short for, so am I]
    - Was one of the guest speakers
    - Helped get his job he just accepted
  - Day with Marisha [Godek from Medtronics] on campus.
    - She suggested Fall (don't know if that precludes Spring)
    - Sally: Format?
      - Seminar like Stephano Bertucci? Mike thinks she was leaning towards this, but we can do whatever.
      - We'll do seminar. Give GO:MCB contact info.
  - Alumni Panel, all areas.
  - Addgene is where [UConn graduate, Dr.] Mike [Lemieux] is now a QC scientist.
  - Sally: outreach:
    - Nothing planned but here's what we did:
      - 4 week science camp in summer.
      - 2 different age groups.
      - 2nd week of August.
      - Good experience!
      - More formal or other opportunities.
      - Designed what we did each week.
    - Science with YMCA or elementary school.
    - Judged 3 science fairs last year. Will continue.
  - Meg: Faces of biology contest. Picture of someone doing science. We will send link.
    - Judging criteria?
    - Take a few photos. Sub committee.
  - Social Events:
    - East Windsor Laser Tag.
      - Raining day no one will be there.
      - About \$13 / round. Price varies per day.
    - Jason: Sports.
      - Kickball from retreat? This was the most inclusive.
        - Pay to reserve field? No, as long as not intramurals.
        - Kickball from Student Union Outdoor center?
      - Softball from summer was a bit of a commitment.
      - Dodgeball.
      - Ultimate frisbee - slow ultimate frisbee
      - Minigolf?
    - Other social ideas:
      - Glastonbury apple festival in Oct/Nov/Dec

- Pumpkin picking
  - Hay maze
  - R [I'm guessing the programming language and probably my nerdy suggestion :)]
  - Ice skating in UConn rink \$4
- Website:
  - Feature alumni friends on website. [Is this still necessary now that there is LinkedIn Alumni?]
  - See website for types of info.
- 2015-10-01
  - Meg: update on career event:
    - Phone conference scheduled tomorrow with Manisha.
    - Have budget.
    - Potential speaker from Catabasa (Vicki knows her).
  - Planning social event.
    - Kickball next Thursday!
    - Nomad's on Thursday.
  - Open discussion:
    - Friday [BPB] 301 Potluck?
      - Before or after lab meetings which are at 3:30? 4:30?
      - List food the week before?
- 2015-10-08
  - Attendance 4
  - Trying to book room but nothing on campus.
    - Date different since Marisha Godek (Medtronics) has crazy travel schedule.
    - Friday October 23, Friday November 6/
    - Grad seminar slot! Talk to Wolf Dieder.
    - Room over break? January?
    - Library.
    - Journal club.
  - Has provided blurbs to advertise her.
  - Flexibility for after talk breakout.

  - Honorarium. \$102 for contractual. Total \$428.
  - Can only take 1/2 day off.
- 2015-10-19
  - Marisha couldn't make original date.
  - Monday, November 2 instead 1-3pm.
  - Nate to confirm 2 weeks enough for Dog Lane Cafe.

- GSS: what do we need? Extra money for meeting room. 1/2 SU ballroom ~ \$180.
- Michael Lynes pay for lunch? Wait for date.
- T-shirt fundraiser for department - look into it. But university regulations for fundraising.
- 2015-10-29
  - Attendance: 3 officers, 4 members
  - Discussed
    - T-shirts / long sleeve t-shirts
    - White / colored.
    - Must have UConn logo and must be main on it's side of the shirt.
    - Andrea leave shirt design? Haven't told Andrea yet.
  - Outreach idea
    - High school student lab tours for science, undergrad, grad school.
    - Mentoring session about undergrad / grad school.
    - Dept. head fine as long as escorted and don't touch anything.
    - Check with EHS?
    - Split up groups with survey of what they like, e.g. photosynthesis = Gage lab. One from each concentration.
- 2016-01-07
  - Alumni panel: next semester.
    - Discussion group.
    - Theme? Submit questions?
  - Boost attendance.
    - More help.
    - Recruitment poster.
  - T-shirts.
    - Andreas design.
    - Needs UConn logo; less retreat oriented.
    - Michael [Lynes] to put money in our account, then we return money.
    - Sell outside grad. seminar. Legal? Or sell at GO:MCB event.
  - High school lab tours.
    - 3 hours.
    - Few labs lined up.
    - 5 students total from 2 high school - Killingly (Dayville, CT)
    - 10am to 1pm.
    - Need agenda from labs.
    - Need to know time time for each lab. Then can see if Q&A possible.
    - 10 grad students interested.
    - Talk to science fair teacher for AP students.
    - Show X-ray, NMR, Beach Hall, Squid.
    - If not snowy.
  - Cares Bio.
    - Meg to contact.

- Replace Mike [Lemieux?].
- Needs consistency for kids (same person).
- ASCB outreach funding.
  - We got grant, but not money.
- TODO: send schedule by 12.
- [If you're wondering why I only have one meeting recorded for that semester, so am I]
- 2016-08-01
  - Elections
    - See bylaws about election laws.
    - Meg graduating in December; new president.
    - Add a new position for Rose. Amend bylaws for "Social coordinator"
  - Rose: Guest speaker
    - Started since Nicole wanted to invite someone.
    - Wanted grad students to invite since Joe never refuses students.
    - Fall or maybe Spring.
    - M. Lynes gave OK.
    - Book people for Spring now.
    - Room 130 for department Seminar already booked!
    - 2pm on Tuesdays last year.
    - Used to be 4pm.
    - Don't know how.
    - This year M. Lynes will pay since we are low on seminar speakers.
  - Alumni panel / career panel, different areas of science.
    - Lots of prep - multiple people's schedules.
    - Mike Lemieux! Wants to come.
    - Rose's undergrad professor for academic track.
    - Meg spotlighted 10-15 people who were recent grads to see how they got their jobs.
  - Expressions mag is interviewing GO:MCB
  - T-shirts: new design in Spring?
    - M. Lynes wants to involve undergrads. Microbio society.
    - Starting in fall would be good to include [undergrads] on design.
    - Rose: sell at retreat? Only have M, need more L, XL.
    - Or order?
    - Could put on retreat e-mail.
    - Meg: Freshman FYE
    - Could talk about MCB and grad school and t-shirts.
    - Sally: Delegate to Microbio undergrad society?
    - Meg: Most don't choose major till Jr/Sr year. Could reach out to pre-med society.
    - Venmo mobile pay app (owned by PayPal).
  - Rose taking over website. Also e-mail account.
  - Introduce ourselves at official orientation.
